

WACKY USES FOR Cool Whip

- **Shine your shoes.** Use a tablespoon of Cool Whip on your leather shoes, and shine.
- **Soothe sunburn pain.** Spread Cool Whip on the sunburn, let sit for twenty minutes, and then rinse clean with lukewarm water.
- **Thaw frozen fish.** Place the frozen fish in a pan and cover with Cool Whip. The desert topping eliminates the frozen taste, returning the fresh-caught flavor.
- **Condition your hair.** Apply one-half cup Cool Whip to dry hair once a week as a conditioner. Leave on for thirty minutes, then rinse a few times before shampooing thoroughly.
- **Soothe the burn on the roof of your mouth from hot pizza.** Fill your mouth with Cool Whip to coat the lesion.
- **Clean plant leaves.** Using a soft cloth, wipe Cool Whip on each leaf.
- **Give yourself a moisturizing facial.** Cool Whip helps moisten dry skin when applied as a face mask. Wait twenty minutes, and then wash it off with warm water, followed by cold water.
- **Lighten coffee.** Use a tablespoon of Cool Whip as a substitute for milk or cream in a cup of coffee.
- **Help heal a cold sore.** Place a compress of Cool Whip on the cold sore to speed healing, and then rinse with cool water.
- **Remove make-up.** Wet face with lukewarm water, spread a handful of Cool Whip on face, rinse clean with lukewarm water, and blot dry.
- **Clean silver.** Mix two cups Cool Whip, and one tablespoon Heinz White Vinegar or ReaLemon lemon juice. Let silver stand overnight in mixture, then rinse clean and dry thoroughly.
- **Treat minor burns.** Rub Cool Whip into the burn. Let it set for fifteen minutes, then wash off with cool water.
- **Shave.** Apply Cool Whip to wet skin as a substitute for shaving cream.
- **Store leftovers.** Use empty Cool Whip containers as a substitute for Tupperware.
- **Mix paints.** Use empty Cool Whip containers to mix and store paints.
- **Store game pieces.** Never lose dice, cards, playing pieces, and small toys again.
- **Store crayons.** Keep crayons in an empty Cool Whip container.
- **Store screws, nuts, and bolts.** Use empty Cool Whip canisters in the workshop to hold loose screws, bolts, nuts, nails, drill bits, and spare parts.
- **Store crafts.** Organize ribbons, beads, glues, strings in empty Cool Whip containers.
- **Improve marital relations.** Give new meaning to the phrase “dessert topping.”
